NO other six-cylinder car has ever earned, in any year, one-third the public acceptance... one-third the volume of sales... which have been bestowed upon Chevrolet Six during the nine months since its introduction.

This tremendous public acceptance is due to three outstanding facts. To the fact that Chevrolet offered, for the first time in history, a six at the price of a four... To the superb standard of quality in Chevrolet's design, material and workmanship. And to the new, greater performance abilities that Chevrolet Six provided.

Chevrolet Six was four years old in experiment, in research, in testing, in proving... before the first Chevrolet Six was placed in the hands of its owner. And that owner... like the million and a quarter owners who followed his example... SOLD HIMSELF on the Chevrolet he bought... on the road, behind the wheel. Why not let us place a Chevrolet Six at your disposal... and form your own opinion of its value.

Miss Mary Nabourough left on Monday last for her home in Toronto after spending the summer here with her sister, Mrs. A. C. Davidson.

Two youths in their early teens, finding time hanging heavily on their hands, hid themselves to the cemetery one afternoon last week, and after spending several headstones, threw stones at several beautiful monuments, damaging them to such an extent that they will have to be taken to the marble works to be repaired. They were taken in charge by Const. Taylor and brought before the magistrate, who meted out the justice that seems to fit their cases splendidly. The sentence was a spanking of ten "whacks", to be administered by Const. Taylor in the court room. With a substantial strap the sentence was carried out to the letter, the boys went home sadder but wiser, and for the next few days will eat their meals standing up. A lot of serious damage has been done by youngsters of late, and from now on they may depend upon like sentences if caught.

John B. McKellar, one of the earliest settlers in the Peace Country, residing on land where Grande Prairie town now stands, which he homesteaded more than 35 years ago, is in town on a visit to his cousin, Mrs. C. B. Halpin. Mr. McKellar, who has seen the Peace River Country grow from a few scattered farmers and trappers, to one of the largest communities in the west, has great faith in the country. Crops second to none in Canada are now being produced there, and the average under cultivation is being rapidly increased. The only drawback at the present time is lack of transportation, the long hauls to the world's markets taking much of the profits from the settlers there. Mr. McKellar was also in the great Klondike rush of the early 90's and has many interesting tales to tell of those days.

Remember the Armistice Dance on November 12th, under the auspices of the East We Forget Club, in the Comet Theatre. A good time is assured.

In the Rest Room under the auspices of the Anglican Church, a debate was held by a team from the Anglican Young People's Association of Red Deer on the subject "Resolved that Oriental Immigrants Should be Excluded from Canada." Guessing competitions and refreshments added to the enjoyment of the occasion. Lenten slides depicting the Life of Christ, were shown at the Baptist Church. SWINE CLUB VICTORIES

The judging teams of the Four Swine Clubs journeyed to Edmonton during the past week for the Final Competition of all Alberta Clubs. Twenty-seven teams competed. The first eight positions were hotly contested. Mr. Barbour's team secured all the championships. Lacombe had the first prize car of Hogs. This is the third year in succession that this prize has come to Lacombe. Lacombe has again won the C.P.R. competition and Arthur Kriese and Will Douglas will enjoy a trip to the Royal Fair, Toronto, the guests of the Canadian Pacific Railway. The Lockhart team won first in the inter-club competition. This team was composed of Beryl Beddoes, Emma Goyt and F. Fraser. The T. Eaton Company gave a special purse of fifty dollars, divided into three prizes: Miss Beddoes stood first and Miss Goyt, second; Miss Beddoes also stood 3rd in an individual contest in eight new clubs. The Bentley team Harry Larsen, Ernest Eversden and Louis Stone secured eighth place. Bentley and Lockhart Clubs shipped together and had 3rd prize car. For the Hogs sold the boys and girls received \$36.71 and something over \$600 will be paid them in prize money. This is an important source of revenue for them and is valuable, to the district in which they operate. The boys and girls appreciate very much the interest taken in them by the Fair Boards of Trade and the Blindman Valley organization who contribute so liberally to the prize money, also the accommodation and assistance so freely given by Mr. Wilson and the Lacombe Experimental Station, where all the judging practice was carried on this year. May we again look forward to another successful year and make the C.P.R. Troop our permanent property. We up to Lacombe, Gavin Barbour, Mgr.

History was made in Canada when Chief Blinawot Wahwah-sahchee (Running Deer), of the Ojibway, met and greeted in all friendliness Chief Ocanonito (Deer) of the Ojibway, at Caughnawaga Indian Reserve, near Montreal, recently. There is no record of these tribes ever having met before in Canadian history. The Ojibway Chief is better known as Paul Farnston, head Indian guide for the past thirty years at Nipigon Camp, northern Ontario. Neither could speak a word of the other's language and conversed through the medium of English.

Judges of the annual fishing contests held at French River, Nipigon and Devil's Gap (Lake of the Woods)—bass-weighing—have named the winners as follows:—W. H. Gray of New York, and Frank S. Blossom, of Chicago, tied for the trophy at French River with a 20-lb. muskellunge each; J. H. Lunn of Hammond, Ind., won the Nipigon trophy with a 27-lb. speckled trout, closely followed by Mrs. Bundy, of Kansas City, with a 7-pounder; and A. B. Jellin, Jr., of Cincinnati, took the Devil's Gap trophy with a bass weighing 3 pounds, also caught.

"The destinies of Canada and Japan lie together in the great Pacific Ocean," declared Hon. Iyemasa Tokugawa, K.C.V.O., first minister to represent the Emperor of Japan, when he reached Dominion soil here with the arrival of the Canadian Pacific liner Empress of France, at Vancouver recently. He was accompanied by Togo Fukuma, Japanese Consul-General, both of them being on their way to Ottawa, where the former later delivered his credentials.

What is regarded as a record movement was made recently at the Saskatchewan Wheat Pool Elevator No. 7 at Fort Arthur, when in 4 1/2 hours, 650,000 bushels of wheat were transferred from the elevator to the hold of the steamship La-Mayne. There were periods during the loading of the ship when the wheat was carried like a torrential golden river from the elevator at the rate of 2,666 2/3 bushels per minute.

Fifty different steamship lines now serve to carry Canadian products to every continent from the port of Vancouver, states a recent trade review issued by the Royal Bank of Canada. The review adds that in a period when the other great ports have had difficulty in maintaining their pre-war volume of trade, traffic through the port of Vancouver has experienced steady growth. From 122 ocean-going ships in 1913, the number increased to 1244 in 1920. During the past year total trade of the port had a value of \$250,000,000.

The largest sugar beet crop on record in Southern Alberta is being harvested in the Banff district, centre of the industry. About 8,500 acres were sown to sugar beets this year, 2,500 more than in 1921, and the crop will on estimate yield about 85,000 tons or 22,000 above last year's production.

Cable advices from London state that Captain Ronald Stuart, V.C., D.S.O., U.S.N.C., R.N., commander of the Canadian Pacific liner "Duchess of York," has been officially selected to attend the Armistice Day ceremonies at the Canadian Legion in London. Captain Stuart is one of the youngest naval captains on the North Atlantic and the only passenger ship captain to visit the Victoria Cross. It is expected that he will also be present at the Prince of Wales' dinner to V.C.s.

Toronto Greet Ottawa by Air

WHEN the Canadian Pacific Air Express service was inaugurated on King's Birthday between Toronto and Ottawa, Mayor Samuel McBride of the Queen City sent a silver tray to Mayor Arthur Ellis of the capital in commemoration of the event. Photograph shows J. W. Somers, Toronto City clerk, handing the express package to Captain Earl Shaw, pilot of the plane, which is shown at the Leaside Airport, Toronto, ready to start. On June 6, Hamilton Airport was opened with similar circumstances and at this function also the Canadian Pacific Express was represented and carried a number of packages. Opening of these airports indicates a wide extension of airplane service in this country and a proof of the growing "air-mindedness" of Canadians.

Municipal Hospitals Afford Treatment at Lowest Cost

(By Edna Kells)

Second among the Municipal hospitals built in Alberta is that of Vermilion—a three-story brick building with accommodation for eighteen beds. And today, after ten years' operation, the hospital is "on its feet" with a surplus of \$14,000 in the bank, which would enable it to carry on under adverse circumstances if necessary.

The Municipal hospital at Vermilion succeeded a small private hospital operated by Miss Boyd, a graduate nurse who had the support of the Municipal and town councillors in her efforts. These men were allowed \$400.00 per year each for their services, and instead of accepting it for personal use, they turned the money over to Miss Boyd as a subsidy. They realized the need for a hospital and appreciated her efforts to provide one. But the private hospital was not equal to the demand for hospital care, and when the government passed the Alberta Municipal Hospitals act in 1918, the people saw in its provisions a means whereby they could build and maintain a community hospital.

The plan has worked well in Vermilion. It takes about \$25,000 to finance the hospital yearly and pay off the debentures due. The board has always been able to meet debenture payments promptly and since 1923 has not found it necessary to borrow money for current expenses. The patients' fees \$1.00 per day for outpatients, \$2.50 per day for non-outpatients, the revenue from taxation, and the government grant make up the income. Farm lands are taxed at the rate of 3 cents per acre, and the town of Vermilion pays a flat rate of \$2700, raised by taxation, and its share of the hospital upkeep. Non-outpatients if they wish, may secure the \$1.00 privilege by paying \$6.00 per year, and any coming to the district after January may also share this privilege by making written application to the board within three months of their arrival.

The Vermilion hospital has played an important part in educating the people to take care of their health. One woman who goes there for confinement, passes the word along that it is a good place to go and a dozen follow her. Doctors are called in earlier and they often prefer having their cases in the hospital where they can see them more frequently. Ten miles is the average distance from town, and a doctor can take a patient to the hospital where she can be seen every day for five or six days, for the price of one visit to the home. People are taking greater interest in prenatal care, and this is having

its effect. Death rates are low, in maternity cases the rate being about 8 in 1000.

So great is the demand for hospital accommodation, the present building is frequently overcrowded. In May, 1923, 64 patients were admitted and 40 discharged. There were 1001 hospital days, 18 babies were born, 7 major and 8 minor operations performed.

For some time past there has been an agitation for the extension of the hospital, but owing to crop conditions this is in abeyance for the time. A part of the Vermilion hospital territory was transferred to the Elk Point District when that district was formed; now there is an agitation about the formation of another hospital district between Elk Point and Vermilion to serve settlers along the Winnipeg line of the Canadian Pacific Railway. So far the building of the Elk Point hospital has not diminished the demand for accommodation at the Vermilion hospital, but naturally the Elk Point district cuts off part of the revenue. However, in spite of this, the hospital board has no fear for the future.

The High Standard of Alberta Hotels

Hotel accommodation is one of the most important factors in the modern social scheme. In the past it has not always been simple to establish and maintain good hotel accommodation in a small town. Five years ago the average country hotel was, generally speaking, an uncertain, unsatisfactory business. Now, however, the licensed hotel is a very important detail of our liquor control act, which has proven to be the most satisfactory plan that has so far been evolved on the North American continent, in dealing successfully with the liquor problem.

The more or less steady income from the sale of a mild beer helps hotelmen to carry the overhead on unoccupied rooms which remain unavailable to the casual as well as the more regular traveler. But the return for the privilege of selling beer to the licensee must provide first class accommodation. His premises must be beyond reproach in every particular. By such a well regulated establishment, a community is benefited as are also their travelling friends and neighbors, also, strangers who come within their gates.

An unlicensed hotel in a small place usually develops into a second rate rooming house, ill kept and unattractive, a place studiously avoided by the commercial traveler and other men when they know of it. The volume of legitimate business becomes insufficient to support the undertaking. It is then that the temptation comes to descend to illegal practices with regard to liquor, and moral decay creeps in.

On the other hand, the licensed hotel-keeper must obey the law and observe strictly the regulations laid down under that law. The house must be so conducted that it must be a credit to the community. It serves its beer-parlour supplies in a legitimate way the demand for a mild alcoholic beverage. The proprietor is made responsible for excesses, but the vast majority of men are moderate in their use of alcohol. The modest glass of beer has largely replaced the bottle of distilled spirits. This is shown in the Alberta Liquor Control Board's Annual report for 1928.

The report of the Alberta Provincial Police for 1927, testifies to the social progress made in this province under the present liquor act. The Inspector for "G" division, Calgary has this to say in his 1927 report, on page 22: "Liquor Control Act."

"I am more than pleased to report that there has been a reduction of cases under this act, viz: 116 in 1927, as against 187 in 1926 and 224 in 1925."

Our present liquor control act leaves little room, if any, for criticism by the most ardent prohibitionists. We have the support and assistance of the very best citizens of the Province in bringing to our attention any infractions or violations of the act."

Page 24, "Inland Revenue Act"

"The manufacture of 'moonshine' is carried on chiefly in what is known as the 'dry belt' in the Eastern part of the province. It is chiefly made for home consumption."

Liquor Control was found to be unsatisfactory without the sale of beer by the glass in the Province of Manitoba. Beer rooms were established in that province recently. In Saskatchewan conditions are so unsatisfactory that a petition praying for the establishment of beer-rooms was signed by more than 70,000 people.

Commissioner Dinning in his annual report for 1927 says: "Since presenting its report for the year, 1926, the Board is pleased to record that the general standard of hotel accommodation throughout the Province has been not only maintained, but in a great many instances materially improved."

Visitors to this Province express surprise at the high standard of hotel accommodation they find wherever they go in the province. The Province is to be congratulated for the vastly improved social conditions which obtain and which have been largely brought about by the wise administration of the Liquor Law.

Nearly one hundred thousand people in Alberta voted for the law in 1925, and now it is apparent how wise those people were.

Hospital, Edmonton, re: Wm. Tucker. Payment of the bill \$104.50 was delayed pending advice of assistance from the Branch of the Canadian Legion at Ponoka, re: Wm. Tucker.

The wild land appeal of Hudson's Bay Co. on 2-1-3 of 8-45-1-96th, John Heiden Leese, was allowed on motion. On motion, it was decided to make a charge of \$4.00 per hour for the time the tractor outfit had been used for ditching this year.

The date of the next meeting was set for Saturday, November 30th.

The following bills were passed for payment if found correct: Tractor \$46.50; Gen. account \$134.79; Division 1, \$3.50; Division 2, \$97.50; Division 3 \$40.76; Division 4, 60.

The council then adjourned for lunch.

At 1:45 p.m. the adjourned meeting was called to order.

A motion was passed empowering the Secretary to add \$1.00 to roll on NE 13-41-1-96th and \$2.00 on Roll on NE 16-43-1-96th for weed killing.

The Secretary then read a report on strip and recommendations of Inspector Alsworth on grand roads throughout the district.

The Reeve gave a report on the progress of the Lacombe Hospital Movement.

The meeting then adjourned at two o'clock to open immediately as a Court of Revision in respect to the Triennial Assessment.

THE GOLF DANCE

The Halloween dance held under the auspices of the Ladies' Golf Club in the new Assembly Hall of the school was one of the smartest dances in

many years, with its ghastly costumes, fortune telling, waltzes, artistic decorations, good music and delightful refreshments.

Great appreciation has been expressed of the work of the various committees in charge: Mrs. Hay, Mrs. Locke and Mrs. Lothian on the business committee. Mrs. Lacey, convening the decorations, which were particularly striking and Mrs. Owen, the refreshment committee.

The large hall lends itself admirably to serving and Mrs. Owen and her committee, Mrs. Fraser and Mrs. Norman Campbell with Mrs. Hyman and Mrs. McLeod in charge of the tables certainly did justice to the occasion.

The Club are also appreciative of the work of the Junior Golf Club and of Mr. Grover and Mr. Matheson, all of whom assisted the various committees in many ways.

Among the out of town guests were Mr. and Mrs. Art MacDonald; Dr. Pike and Mrs. Brunton, Mr. and Mrs. Beatty, all of Rimby and Mr. Frank Thorp, Mr. Scouler and Mr. MacDonald, representing Bentley.

GOLF NOTES

In the last Ladies' Golf Tournament for this season the honors in the first flight went to Mrs. D. Hay; in the second to Mrs. Pratt.

Extensive plans are being made for some novel contests next spring.

LOCKHART NEWS

Miss Cook gave a delightful Halloween party for her pupils and their parents on Saturday night. The hall was appropriately decorated with jack-o-lanterns, witches and black cats.

The evening was spent in playing games, dancing and fortune telling. The children winning prizes for the best costumes were: "Patsy," Lily Miller and "Old Dutch Cleaner," Welma Gyorl; Second, "Fat Lady," Jean Jaffray, and "Rashia," Leonard Beddoes. The judges were Mr. Reed and L. Beddoes. A vote of thanks was extended to Miss Cook for a very enjoyable evening.

Mr. and Mrs. G. A. Robson, Mr. and Mrs. Beddoes and Miss Cook were entertained with a chicken dinner at O'Neill Bros., last Sunday.

Mrs. Korman, Mrs. Palm, Mrs. Calkins, Mr. and Mrs. Jaffray, Miss Emma Gyorl and Byrl Beddoes were Lacombe visitors on Saturday.

Mr. and Mrs. Palm, Mr. Erickson and Mrs. Calkins motored to Edmonton on Tuesday, returning the same day.

Alex Jaffray, Willie Jaffray, Owen Pike, and Jimmie Jaffray left for the Moose country on Tuesday morning. They expect to be away about two weeks.

Miss Jessie Malcolm and Lily Gyorl who are attending high school in Bentley, spent the week end at their homes.

Money isn't the only thing that talks. Even eggs can speak. Last week Wm. St. J. O'Neill traded four cases of eggs to Mr. Thorp, for a Ford car.

Since Spooka were prowling about on Halloween, we hear such questions as "Is my horse in your barn," "Have you got my harness over your place?" "Is that my wagon wheel on your wagon?" etc.

John Fraser, Leonard Beddoes and

ma Gyorl and Byrl Beddoes, who represented the Lockhart Boys and Girls Swiss Club at Edmonton this week, returned on Friday, bringing the heavy home to Lockhart. Byrl Beddoes won first and Emma Gyorl, second in the open judging competition, which was held at the University. As there were 27 clubs represented in this competition, the girls might well be proud of what they won. The prizes were announced at a banquet given in honor of the boys and girls at the Royal George Hotel by the Swiss Brooders Assn. Lockhart and Bentley also won 3rd on their earlier of pigs.

CELEBRATE GOLDEN WEDDING

On Friday evening last, a surprise party was held at the home of Mr. and Mrs. R. T. Rowland to celebrate their Golden Wedding. Over sixty people from the surrounding districts attended. A hot chicken supper was served which everybody enjoyed. There was also lots of candy and peanuts for the kiddies. A few songs were rendered, also "Auld Lang Syne" and "God Be With You Till We Meet Again" were sung by the crowd. During the evening, a purse of money was presented to Mr. and Mrs. Rowland by Mr. G. H. Brown, who spoke a few appropriate words. Mr. Rowland suitably responded, thanking everyone for the present and for the good time they had given them.

Mr. and Mrs. Rowland left for Grande Prairie on Tuesday where they will reside with their daughter for the winter.

There will be a dance in Lincoln Hall on Friday night, Nov. 8.

MEADOWBROOK

The members of the Social Evening Club of Meadowbrook held their chicken supper at the home of Mr. and Mrs. Robert Kinley on Halloween. It was well attended by the

members and their guests, fifty being present. After supper a program which consisted of songs, recitations, dialogues and instrumental selections, was enjoyed by all. The rest of the evening was spent in dancing, for which Messrs. Smith, Sharpe and

Richards rendered the music. The evening was brought to a close by hearty hand claps for the host, hostess, and the music. The Social Evening Club wishes to correct the error that has appeared in the Globe several times, of calling this club "The Helping Hand."
